Courthouse Square office building closed to public

In response to the recent surge of COVID-19 cases throughout Washington County and Mitigation Orders of the Governor and Secretary of Health, the County is continuing to take precautionary measures to ensure the health and safety of its employees and its residents.

Effective December 15, 2020, all County offices in the Courthouse Square building were closed to the general public, and we had asked that access to offices in the building be by appointment only. The County has decided to extend the closure to January 31, 2021 and will reassess the situation at that time. Members of the general public who wish to conduct business will need to contact individual departments to schedule an appointment. Phone numbers for Courthouse Square offices are available on the County website at <http://www.co.washington.pa.us>. Information for Courthouse offices are available at <http://www.washingtoncourts.us>.

The public should continue to check the County's website for updated information.
